Our Charity Partner

Each year approximately 300 children in Sweden are diagnosed with cancer. Nearly 100 of these children are cared for by *Barncancerfonden Stockholm Gotland*. Their mission is to support children currently battling cancer. This is achieved through a variety of activities, support groups, and by providing psychological and social support.

This year the American Club Golf Challenge is raising money for Barncancerfonden - Stockholm Gotland. The proceeds from our 2019 golf challenge will go directly towards supporting these children and their families.
